

## Imported Taffeta Checks

We have just received a full line of imported mercerized Taffeta Checks—the best cloth in this country for the money. The cloth has 148 threads to every inch—a count of only two threads more would have made them cost 35 per cent more. Every thread is mercerized before its woven, thus giving an absolutely permanent finish and color. A cloth with all these qualities and it cost you not a cent more than the ordinary mercerized checks. **25 Cents Per Yard.**

A Big Full Line of Ruchings Were Received Saturday and are Now in Stock.
